Troop 91

To Troop Leader or Scout Master:

On behalf of U-Haul International, we would like to recognize and thank Troop 91 for your valuable assistance.

We recognize your outstanding efforts and participation in our "Valentine's Day Wish" campaign. Troop 91 provided 91 Valentine Wishes to our Veterans. In the weeks to follow we will be featuring you in our Departmental News letter The S&R Scoop, of which we will send you a copy. We will also send a link or video of the actual presentation from Walter Reed Army Medical Center.

Thank you for your selfless act to support those men and women fighting for our freedoms here and overseas.

Sincerely,
